Supporting you on your journey

Join us for a wonderful day of learning with:

Dr. Marilyn Glenville – Glenville Nutrition

Dr Glenville will discuss nutrition and supplementation for conditions frequently seen in the clinic such as fertility, PCOS, endometriosis and menopause. She will examine the clinical considerations that natural medicine therapists should take into account when considering nutrition and supplementation for these conditions.

Stuart Breen – Tai Chi Your Way

Stuart Breen will teach you:

- Qi Gong exercises to help enhance fertility.
- Taoist self-care practices that protect your vital energy and help you avoid burnout.

23rd February 2019 • Talbot Hotel, Stillorgan
